NO OTHER NAME written by Noel Paul Stookey © 1966 Pepamar Music Corp. Renewed 1994 Newworld Media Music Publishers

from the album "Album 1700", Warner Bros. CD

This song is recorded in the key of Eb, so you must capo on the first fret to match the recorded pitch. The right-hand pattern is an arpeggio in waltz time (3/4) with the thumb leading with a predominantly down-scale movement. Noel plays a hammer-on on the 1st string 2nd fret quite often and always drops in a D7 when he makes the turn into the bridge.

Note - - -the chord referred to as 'Bm-barre' is a standard Bm minus the first-finger barre. It is not meant to be strummed but instead worked into the arpeggio pattern with the thumb emphasis on the open 5th string.
