

Turn It Over

Words and music by Stookey/Mottau © 1977 Grasshopper Publishing Co.

If you want to match the recorded pitch on the CD you must tune down 1/2 step. (D# G# C# F# A# D#)

This quick change progression is G/C/G:
 Noel suggests "you have to play that with the pinky holding down the G on the 1st string otherwise the back-and-forth won't be!"
